The TNSRLM has been undertaking systematic approach to prevent Child Marriage, Domestic Violence against Women and Children, Child Sexual Abuse and towards achieving this, one active SHG Member from each SHG is identified as Gender Point Person who will be the spokes women for identifying the above issue and create awareness about the gender interventions undertaken by TNSRLM. During the last year, 47 Gender Resource Centres have been established in all 37 districts to resolve gender related issues and for creation of awareness among various CBOs like Gender Collectives, PLF-SAC, Block Level Gender Forum and among the SHG women.

During the last two years, intensive campaign in the name of Gender Violence Campaign has been done on the Day of 25th Nov 2022 i.e. International Day of Elimination of Violence against Women in the state for creation of awareness with the participation of the Gender Institutional Mechanisms such as Gender Point Person (GPP), Gender Collectives, Panchayat Level Federation (Social Action Committee), Block Level Gender Forum (BLGF) and Gender Resources Centres (GRCs).
