Sir/Madam,

TNCDW -TNSRLM - Annual Maintenance Contract for Ductable,
Sub: Cassette & Split type Air Conditioners in all floors - for office
use - Quotations called for - reg.
Ref: Connected records.

It is proposed to enter into an Annual Maintenance Contract (AMC) for the Ductable, Cassette & Split type Air Conditioners installed in all floors of TNCDW office premises for official use, as the above units play a vital role for maintaining an effective working environment and also preventing sudden breakdowns, especially during important official meetings.

2. The scope of work includes routine servicing, preventive maintenance and attending to breakdown calls of the ductable, cassette and split type air conditioners to ensure their optimal performance.

3. Hence, you are requested to inspect our office in person and to submit your sealed quotations for the above maintenance work to the following address on or before 18.08.2026.
